How to find us

From Buxton, take the A6 North towards Chapel-en-le-Frith / Stockport. The illuminated entrance to Barms Farm is situated on the right hand side approx one mile from Buxton. On leaving Buxton (watch the speed camera at the top of the hill) and passing through Fairfield Common on the A6,

Barms Farm is the only property on the right hand side within two miles of the outskirts of Buxton. The entrance is just before the first set of double bends, approx 10 metres after the start of the double white lines and is immediately after the High Peak golf course..

For an unforgettable holiday in the Peak District where comfort and luxury is combined with contemporary style.

Audrey's at Barm's Farm is a detached, self contained property with all accommodation on the ground floor. The property is situated less than a mile north of the spa town of Buxton in the heart of the beautiful Peak District. It sits within its own private gardens and has open views towards Buxton and over the farmland at Barm's Farm. Centrally located with ample parking, it is an ideal base for visiting the many Derbyshire attractions but only a three minute drive away from Buxton, its famous Opera House, Pavilion Gardens and its supermarkets, shops, bars and restaurants. Buses pass at 30 minute intervals to Buxton.

Audrey's offers a quality experience, most appreciated by those who require spacious five star accommodation of a high standard, where quality fixtures and fittings have been positioned with thought and consideration for the users and where there has been much attention to detail in a quest to strive for guest comfort and satisfaction. Wi-fi broadband internet access is available throughout.

The main entrance to the spacious living accommodation at *Audrey's* is via the bright and airy oak floored entrance hall.

Off the hall are two large en-suite double bedrooms with very comfortable five foot wide beds, plump pillows, duvets and quality linen, ceiling mounted paddle fans, ample storage and spacious en-suite facilities of exceptional quality.

The two identical en-suites have long, extra deep baths in which you can relax those tired muscles after exploring the peak district at the end of the day. In contrast, the separate power shower cubicles will invigorate you at the start of the day. You will find the illuminated vanity units with deep basins and lots of storage for your toiletries very useful and will welcome the underfloor heating and our thick towels on the large towel warmers during the cooler months of the year.

The south facing spacious lounge with living flame gas fire set within a Derbyshire stone fireplace leads off the oak floored hall and is a pleasant room for relaxation. Sky Freeview digital television and music channels are available on the 40 " flatscreen tv which comes complete with video and DVD player plus films

Audrey's well equipped kitchen/diner with underfloor heating includes Neff electric oven and ceramic hob, dishwasher, fridge and microwave. It has a small breakfast bar plus a dining area with table and seating for four, next to french doors opening onto the garden.

The washing machine is housed in the utility room from where doors lead to the cloakroom, a rear door and patio area and to the integral storage/drying area, which has ample drying and a spacious storage area for bikes, walking boots and equipment.

Audrey's is let to a maximum of 4 non-smoking adults. We do not cater for children or pets (as much as we dearly love them)
