

COVID-19

In light of the current COVID-19 situation, we would like to take this opportunity to inform all customers that our self catering holiday home is temporarily closed until further notice following lockdown by the Government.

For everyone's safety, to protect our NHS and to recover from this unprecedented crisis as soon as is possible, everyone needs to pull together and they must not leave the house except for the four valid reasons that we have been given. Remember, if your job title or business aren't listed on the Government list of key workers that you must not leave the house to attend work

Any further updates will be announced via our social media channels and website.

Stay safe everyone

Many thanks,

Lorraine & John
